Mini GCSE Project

Food

Time: 6 Weeks

1. Create an artist research page/board on Wayne Thiebaud or Jason Mecier. Include 4 images, written research and 2 drawings of their work. (See notes on GCSE annotation on separate sheet)

2. Create a detailed mind-map on food themes you would like to explore. You must include quick sketches and ideas of materials you could use in your project.

3. Collect primary and secondary source images on your chosen food. Take photos of this food at home, or ask an adult to photograph food when out shopping. Use pictures from magazines. Draw/paint some of them, Display them and annotate.

4. Complete 3 design ideas for a final piece. Sketch, colour and label each design (name the materials you will use and how it links to your artist and theme.

5. Create your final piece. If you need any materials please contact the school.

6. Evaluate your project, and your final piece. Say what went well, and what you could have done better.
