

Ethos, Rules and Expectations

At Beverley School we believe that all students should be treated equally and given every opportunity to develop and excel. To promote the growth of our students we encourage the following rules and expectations:

- Attend and engage with lessons.
- Have good attendance at school.
- Work with staff to overcome difficulties.
- Respect themselves, others and equipment.
- Be good role models for our younger students.
- Use their time wisely.
- Follow the 6th Form dress code.
- Be friendly and considerate.
- Work hard.
- Ask questions.
- Increase their independence.
- Learn to be flexible.
- Act responsibly.
- Do their best in all aspects of their lives in 6th Form.
- Enjoy their learning.

Doing these things will help prepare students to:

- Live independently.
- Undertake further education.
- Enter the world of work.
- Become responsible members of their communities.

Our philosophy is for our 6th formers to dress smartly and in a practical fashion for all activities that they carry out in school. For some activities we would encourage them to bring a change of clothing.

- T-shirt or polo shirt (no inappropriate designs)
- Smart trousers (no tracksuit bottoms, except for P.E. lessons)
- Optional Sixth Form Hoodie

For work experience placements they will need to follow the dress code of the organisation they are attending.
