

2 JD Home Learning Week Beginning 23/03/20

I hope you have enjoyed having a look through the packs we sent home last week. Inside the packs are worksheets and suggestions that should keep you busy learning from home over the weeks to come.

On this page I will make suggestions that may help add structure to the day which mirror as far as possible the timetable we would have been following in school. Keep an eye out for emails from me too!

Monday

English: 2 worksheets from the pack or 20 mins session on Lexia plus English workstation activities.

Maths: 2 worksheets from the pack or 20 mins session on RMEasimaths plus Maths workstation activities.

Topic: Try to complete an A-Z of musical instruments eg P is for Piano

Yoga: 2JD love Cosmic Kids Yoga which can be found online. There are a variety of themes with Frozen being a firm favourite!

Tuesday:

Art: Begin work on one of the home learning tasks in the pack sent home by Rebecca.

PE: Try to complete one of the activity ideas sent home by Martin

We would normally spend the afternoon Swimming or completing Star Challenges. My challenge for you this afternoon (from the Silver Challenge sheet) is to have fun creating a den. Remember to get a picture of your creation!

Wednesday:

ICT: Spend time practicing the skills you have been learning with Steve.

Café: Set up a café in the kitchen. Put prices on drinks and snacks and practice using your money maths skills.

Maths: 2 worksheets or 20 mins on RMEasimaths plus Maths workstation activities.

English: 2 worksheets or 20 mins on Lexia plus English workstation activities.

Topic: Try to find an example of what 5 musical instruments sound like online. Create a chart to show which instruments you like the sound of and which you do not.

Thursday:

Food Tech: There are a variety of recipes in your home learning pack for you to try at home.

English: 2 worksheets or 20 mins on Lexia plus English Workstation activities.

Science: Try to complete the STEM challenges in your home learning pack.

Friday:

Music: Complete a piece of work set by Neil from the home learning pack.

D&T: Follow the instructions for the pumpkin project set by Debs.

Have fun this afternoon on free choice activities.
