

## 2 JD Home Learning Week Beginning 30/03/20

Please find below a timetable of suggested ideas for this week which mirrors as far as possible our usual class timetable. Remember it is only a suggestion! As time is going on there are a variety of online providers setting up free access for home learning. I know that many of you have been enjoying joining in with the daily PE sessions with Joe Wicks. I will continue to update this page with information for our class but please look regularly at all the ideas on our school website and specific subject areas. This week there are new ideas being uploaded specific to RE and Humanities. Thanks to the positive response from many of you I will continue to email recordings of chapters of our class reading book Charlie and the Chocolate Factory. Feel free to share photographs via email of your home learning adventures.

Judith

### Monday

English: 2 worksheets from the pack or 20 mins session on Lexia plus English workstation activities.

Maths: 2 worksheets from the pack or 20 mins session on RMEasimaths plus Maths workstation activities.

RE: Easter 1 Activity on RE page - video and questions

Yoga: Cosmic Kids Yoga session

Tuesday:

Art: Continue the home learning tasks in the pack sent home by Rebecca.

PE: Try to complete one of the activity ideas sent home by Martin or take part in the Joe Wicks PE lesson.

Tuesday Star Challenge Afternoon:

My challenge for you this afternoon is to create a treasure hunt in your house or garden

Wednesday:

ICT: Spend time practicing the skills you have been learning with Steve.

Café: Set up a café in the kitchen. Put prices on drinks and snacks and practice using your money maths skills.

Maths: 2 worksheets or 20 mins on RMEasimaths plus Maths workstation activities.

English: 2 worksheets or 20 mins on Lexia plus English workstation activities.

Topic: Create as many acrostic poems with words related to Easter as you can. For example: E is for eating lots of chocolate, G is for good times, G is for going on an egg hunt. Or make a list of food or objects in your house that begin with the letters. For example: E is for egg, G is for green beans, G is for gravy.

Thursday:

Food Tech: There are a variety of recipes in your home learning pack for you to try at home.

English: 2 worksheets or 20 mins on Lexia plus English Workstation activities.

Science: Try to complete the STEM challenges in your home learning pack.

Friday:

Music: Complete a piece of work set by Neil from the home learning pack. Or you could check out the music lessons online with Myleene Klass <https://www.youtube.com/channel/UCQh2wgJ5tOrixYBn6jFXsXQ>

D&T: Remember to begin your pumpkin project set by Debs

Have fun with your home learning adventures
