

# 2HP Stargazers.

Hi everyone, I am hoping that during the coming weeks we will be able to keep in touch and I will do my best to support you in any way I can whilst we are working from home. As you all have my email (sent home with your packs on Tuesday), please do not hesitate to contact me if you require any help, and I will get back to you ASAP.

Please have a look at education city using the logins in your packs, there is specific work set for maths and English under the 'classwork' and 'homework' sections.

As well as using education city I have also included passwords for lexia (English) and mymaths (maths).

Please complete the humanities work that I have also sent in the folder. Some of this work will require help and the opportunity to research. If you manage to get it all finished then 'The Planets' on BBC IPlayer is worth a watch.

Let's keep our love of reading alive too, 2HP have read almost three books so far this year. See how many you can read whilst you are at home. I will upload some book review forms for you to complete, to add to our library display.

Remember to remain active while you are off, keeping your body fit helps to keep your brain fit too! youtube channels such as <https://www.youtube.com/user/CosmicKidsYoga> and the body coach <https://www.youtube.com/user/thebodycoach1> are great for keeping fit indoors. If you'd rather be outdoors that's great, but remember to stay safe.

I look forward to hearing from you all with updates of how you are getting on, please see the phase 2 page for lots more useful websites. I will be continuing to add dojo points for hardwork, so let me know how your child is doing!

Take care and I will be in touch soon! Hannah
