## Playdough recipe

**1st**, one cup of flour

**2nd**, half cup of salt

**3rd**, stir in half cup of water

- If too dry add some more water

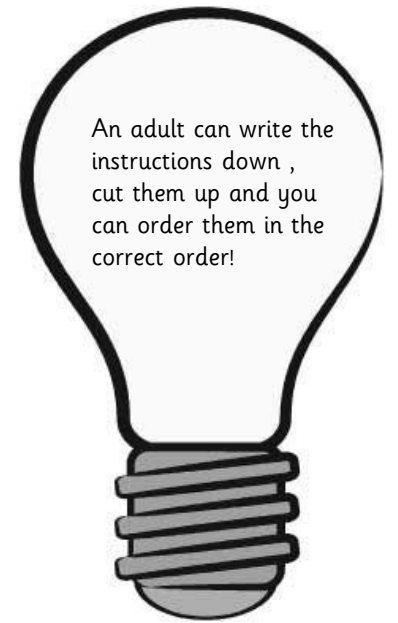

**4th**, mix altogether and knead with your hands

- If too sticky add some more flour

**5th**, divide it into 5 separate pieces

**6th**, add some food colouring/washable paint and knead again

**7th**, play with your own playdough!
