

Hello Class 1KGe!

I hope you are all keeping well and having lots of fun and working hard!

Some more ideas for this week

- <https://www.bbc.co.uk/teach/super movers/times-table-collection/z4vv6v4>

Use this link to learn your times tables. Start with 2s, 5s and 10s and move on as you get more confident.

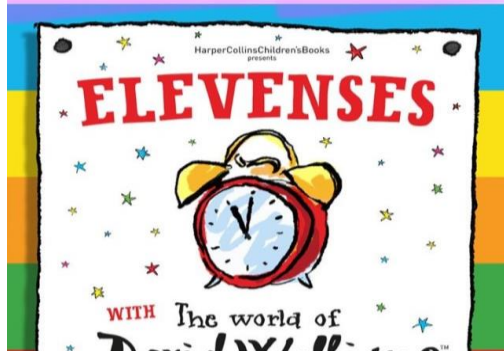

- <https://www.worldofdavidwalliams.com/elevenses/>

If you love stories then try this! David Walliams is an excellent author and story teller - you could then rewrite the story in your own words or draw and label a picture to go with it - how many can you listen to?!!??!!??!

The World of David Walliams is releasing an audio story from The World's Worst Children every day for the next 30 days!

Keep the kids busy with these daily audio treats, perfect for tea-and-biscuit breaks ☺

Head to bit.ly/AudioElevenses each day for the latest story!

- <http://www.sciencefun.org/kidszone/experiments/>

This is a great website with loads of interactive science activities to do at home using basic things found around the house. Send me the photos and videos of what you do!!
