

Hello Class 1KGe!

I hope you are all still keeping well and having lots of fun and working hard!

Some more ideas for this week.

Maths - Money

Play the money games on these websites - if they are too easy you can always go up to the next age level.

<https://www.topmarks.co.uk/maths-games/5-7-years/money>

<https://www.oxfordowl.co.uk/api/interactives/24483.html>

https://cdn.oxfordowl.co.uk/2018/03/02/14/17/03/272/PWO_Age_6_7_money.pdf

Could you make a pretend shop at home? You could write out price labels for the items and practice adding up the totals and giving change. What kind of shop will you have? A toy shop? A clothes shop? A food shop?

English

Practice spelling tricky words with this game - start with level 1 and work your way up!

<http://www.ictgames.com/mobilePage/spookySpellings/index.html>

Choose some comics to read from this website. Start with phase 3 and see how you go. (Username: march20 Password: home)

<http://www.phonicsplaycomics.co.uk/comics.html>

You could go onto PurpleMash now and design your own comic! I would love to see it!

Creative Arts

Have a look at the Music page on the school website - Neil has put loads of great ideas on here.

Well-known doodle illustrator Mo Willems, he has announced that he'll be doing Lunch Doodles for kids on YouTube. The sessions will take place every weekday at 1 p.m. but lots are already on youtube. Follow the link below:
