Welcome to week 5 everyone! Hope you are all ok.

We are keeping with the same format of a story and tasks based around that. Remember all tasks can be differentiated and made easier/more difficult according to the needs and ability of your child. As always please get in touch with your child's teacher if you need any support/advice. These tasks are to help you and your child at home through this strange time we are going through and are not intended to add extra stress. We have loved seeing what you have all been up to so please continue to send pictures! Take and stay safe.

Our story this week is The Very Hungry Caterpillar which can be found on YouTube if you don't have the book at home:
