

# Weather – Seasons

**There are four seasons: spring, summer, autumn and winter .**

Each season brings a different type of weather.

In spring, the weather begins to get warmer.

Flowers start to grow and baby animals are born.

Spring

After spring comes summer.

The weather gets even hotter and fruits begin to ripen.

There is a lot more sunshine in summer.

Summer

Autumn

After the summer comes autumn.

It starts to get cooler in autumn. Leaves on the trees change colour and fall off.

Next comes winter.

Winter is the coldest season. It gets dark early in winter and it might snow!

What is your favourite season?
