

****DON'T forget its FATHERS DAY on SUNDAY 21ST.**

WHY NOT MAKE A CARD.**

Welcome to 1WR class page.

Week 13: Monday 15th June 2020

Hello everybody, we hope you are all well and staying safe.

During this week we'd really like you to have a go at these tasks with your child.

Please try to photographing or take a short video of your child completing their work and of the completed work (sheet or project) and send it to my email address cbonham@beverleyschool.or.uk.

All of us in 1WR would love to hear and see what else you are doing, if you have any photos of anything you are doing at home, we'd love to see them and maybe share on our class page. Have Fun...

"Little princess wants to go to the seaside"

Watch.

https://www.youtube.com/watch?v=URU_xUt5_HY

Activity: Draw a picture of your favourite part and label it with key words and try to write a sentence or two. If you have a printer try rearranging the story (below).

Maybe Try: Making moon sand

<https://afewshortcuts.com/how-to-make-moon-dough/>

Or

Pretending you are in a rockpool next time you are in the bath. What can you be?

Addition and Subtraction

Watch: <https://www.bbc.co.uk/bitesize/topics/zwv39j6>

Activity: These online games

Addition -

<https://www.topmarks.co.uk/mathsgames/mental-maths-train>.

Too easy?? Try this -

<https://www.topmarks.co.uk/addition/robot-addition>

Subtraction

<https://www.topmarks.co.uk/subtraction/subtraction-to-10>

Maybe Try: Collecting toys around the house, then use your adding and subtraction skills.

5 cars - 3 cars = 2 cars. Write your sum down 5-3=2

Rock pooling

Watch:

Choose some videos that interests your child- <https://www.bbc.co.uk/cbeebies/shows/old-jacks-boat-rockpool-tales>

Watch: Look at this video - <https://youtu.be/ZkCkm3ecPEO>

Activity: Draw and label your own rockpool. Add animals and objects you saw in the videos. Find 1 fact about your favourite. See rock pool picture below.

Maybe Try: Yoga -

<https://www.youtube.com/watch?v=LhYtcadR9nw&list=PL8snGkhBF7ngqv160qMOUf9IDaBkGzpo5&index=4&t=0s>

https://www.youtube.com/watch?v=2cNjAi_o0SI&list=PL8snGkhBF7nheTlnjMY7tVmhwB5qBprO&index=9

We know you are busy, working and keeping your family safe so please REMEMBER, the "Maybe Try" tasks are something fun you can do together to help your child learn in a fun practical way and are only an option.

**Interesting Maths watch:
Number blocks:**

<https://www.youtube.com/watch?v=0KPT5EoXUca>

English

If you have a printer print out this page, cut out the pictures and encourage your child to reorder them. Work with your child's ability to order the story.

Don't feel like you have to use all the pictures choose as few as 3-5 if that is what your child is able to remember. Remind them of the BEGINNING, MIDDLE and END of the story.

Help them to spell by sounding out words or help them to copy over your writing.

Science

Print or draw your own rockpool and let your child add animals and objects into it.

Write a fact about your favourite.

My favourite thing in a rock pool is

My fact.
