

Welcome to 1WR class page.

Week 14: Monday 22nd June 2020

Hello everybody, we hope you are all well. During this week we'd really like you to have a go at these tasks with your child.

Please try photographing or taking a short video your child completing their work and of the completed work (sheet or project) and send it to my email address cbonham@beverleyschool.or.uk.

We'd love to hear and see what else you are doing, if you have any photos, we'd love to see them and maybe share on our class page.

Watch: Commotion in the ocean.

<https://www.youtube.com/watch?v=9pRhqZ8Jffs>

English

Do: Talk to an adult about your favourite animal in the story, try drawing a picture and use the internet to find 2 facts. Label your picture and Write 2 sentences.

https://www.usborne.com/quicklinks/saturdayactivities/2utm_source=Usborne+Newsletter&utm_campaign=39c32b9675-Saturday-Activities-9-May-birds_COPY_01&utm_medium=email&utm_term=0_20ac8003ad-39c32b9675-453759149

Maybe Try: Practice your pencil control if you have no printer try drawing your own animals with dashes and ask your child to complete. or doing some dot to dots.

<https://usborne-media.azureedge.net/media/414294/under-the-sea-pen-control.pdf>

Maybe Try: Making paper animals or salt dough animals you might find on the beach.

<https://www.bbcgoodfood.com/howto/guide/how-make-salt-dough-recipe>

Watch: Measuring Length.

<https://www.youtube.com/watch?v=tuBLuIW1U70>

Maths

Do: online game.

<https://www.topmarks.co.uk/maths-games/measuring-in-cm>

Do: Using a ruler measure the length of 6 items or toys in centimetres (CM's), recording your results (table attached). Then practically order them Longest to shortest. take a photo.

Maybe Try: Who is the tallest in your house? Line everyone up and record your results. Why not make some sentences.

We know you are busy working and keeping your family safe so please REMEMBER, the "Maybe Try" tasks are optional, something fun you can do together to help your child learn in a fun practical way and are only an option.

Watch: Weather Chart

<https://www.youtube.com/watch?v=sn6GLqTYOM>

Do: Have a look outside the window, what is the weather like and write it down. At the end of the day and week write down a sentence to describe the weather. (follow table attached) Can you make a prediction?

Maybe Try: Doing a shaving foam picture of the different weathers and writing the labels. (see picture) or your name.

Useful info for you.

Science

Maths

If you have a printer print out this page, or simply copy it on to your own paper.

Work with your child's ability to complete the chart. Measure in cm's and round up or down to the nearest cm. Allow your child to use drawings, writing or both.

Help them to spell by sounding out words or help them to copy over your pencil writing

Item	Measurement in CM's

The longest item was _____ it was _____ cm's

The shortest item was _____ it was _____ cm's

Science

Print or draw a similar table and complete throughout the week.

Work with your child's ability to complete the chart. Allow your child to use drawings, writing or both.

	Morning	Afternoon	Evening	Today was....
Monday				
Tuesday				
Wednesday				
Thursday				
Friday				
Saturday				

It rained on _____ days.

It was sunny on _____ days.

I predict Sunday will be _____.
