

Hi 1KGu pupils, Mums and Dads,

I hope you're all ok.

I want you all to know that throughout this period of time I'm still contactable. Please e-mail office@beverleyschool.org.uk and they will forward the message to me. I will call or email you as soon as possible.

Suggested work for week beginning 23rd March 2020

***Make sure you move every day!**

Exercise is so important for you guys. Check out the Body Coach's youtube channel - <https://www.youtube.com/user/thebodycoach1>

He is publishing daily workouts for kids - I'm going to be doing them with my little girl! **OR** go for a walk / bike ride outside. The weather is getting nicer but make sure you avoid busy places!

***Do some reading**

Read for fun! Find a book that makes you laugh (or one from your work at home pack) and **read at least 2 pages EVERY day.**

Do **ONE** of the reading comprehension jobs sent home in your work folder

***Practise your writing**

Complete **TWO** of the creative writing jobs included in your folder this week.

***Maths fun!**

Do a page of your Spring maths activity book every day (Monday - Friday)

AND an activity from education city. I've set up folders for you when you log in. Do the work and I can see how well you've done!

If you want to take any pictures of what you're doing or send any messages about **ANYTHING** please e-mail them using the address above. I look forward to hearing from you and seeing how you're getting on with our online activities.

Hope to see you all soon!

Kerry 😊
