

Hi everyone!

Suggested work for 1KGu for week starting 6th April 2020

Get moving outside

Even though it's not been as warm or sunny as it was I've been outside every day with my little girl. We go for a walk every day – well I walk and she rides her bike. Have you got a bike or scooter you can go out on while your family go for a walk? Let me know!

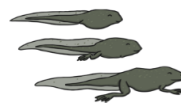

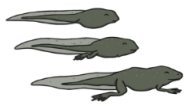

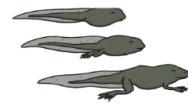

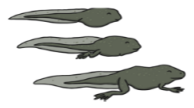

Maths

Do another page of your Spring Maths book **AND** try to do some active maths at home try and do some cooking. You can do the counting and measuring of ingredients. Follow the instructions. Tell me what you make!

I'll still leave educationcity maths jobs for you too as well if you would like to.

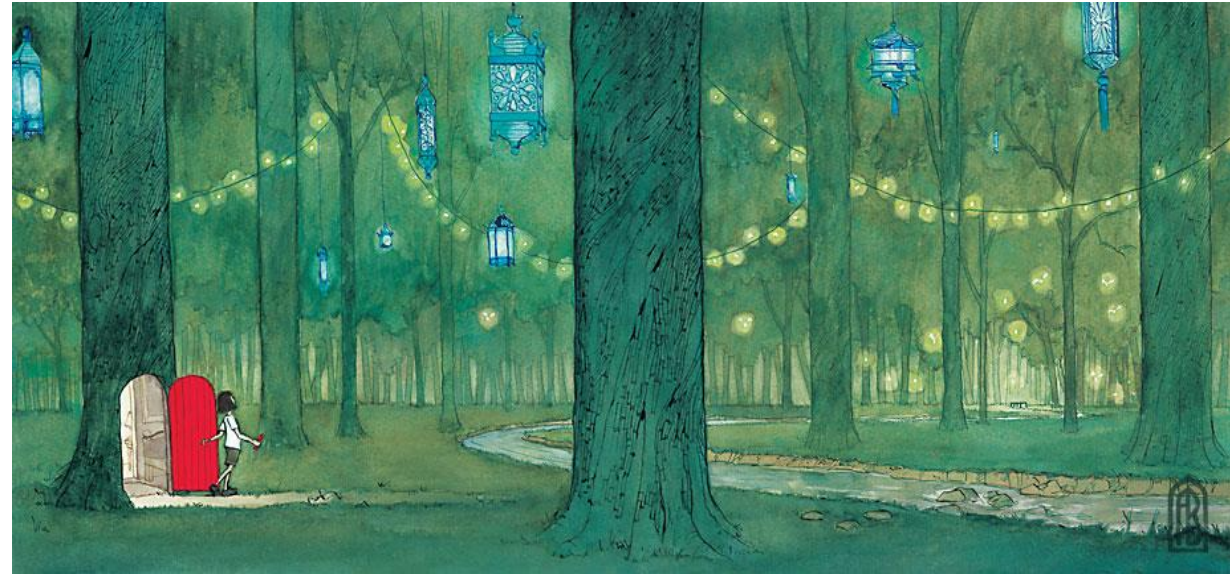

Writing task

Look at this picture and think about the questions below. Talk about them with someone in your house.

Write down your answers or a story inspired by the picture in your work book.

What's on the other side of the door?

What is the girl holding in her hand? Why?

How did she get to the forest?

Where is this?

Who hung the lanterns in the trees?

Where does the stream lead?

Will the girl go back through the door or stay in the forest? Predict what will happen next.

Questions
