9th September 2020

Dear Parents/Carers,

Thank you for your effort in getting your child back to school well prepared and eager to re-engage with learning.

I think due to Covid more people are working from home and we now have a greater number of parents picking up their children.

As an extra safety measure, if you drop off and pick your child up, can you reduce the numbers of people coming ie.1 parent. Please then wait near the front of the school, socially distanced from the school member of staff wearing a high visibility jacket .Your child will then be collected from a member of staff at this point and in the afternoon handed over from this point.

We are taking all measures to keep your child as safe as possible and I thank you for your continued support,

Kind regards

Pippa Irwin.
