Dear Parent/Carer

## Careers - Personal Guidance

As part of our careers programme we are very fortunate to be working with Margaret Jackson who is an experienced Specialist Careers Advisor. Margaret will be working with students in school to provide personal guidance about future training, education, social care support and employment and help develop personalised transition plans in preparation for when students leave Beverley School.

To enable Margaret to work effectively with students we need your consent to share information with her, for example, Education Health Care Plans. Please complete the attached consent form and return to school. If you have any questions, please do contact me at school.

Yours sincerely,

Karen Revill
