Dear Parents/Carers

After a further member of staff tested positive for coronavirus this weekend, we have made the decision to close Beverley School for the next fourteen days. Whilst the decision has not been an easy one, it has been based on advice, guidance and support from Public Health England. We feel it is the right decision to keep our young people and staff safe. The school will re-open for teaching on Monday 19th of October, which means the school is no longer having the PD days on the 19th and 20th of October.

Teachers are well prepared to switch to remote learning and will be in touch with their families to discuss arrangements. We continue to work with Public Health England and the Local Authority. Any updates will be shared via texts and the school website.

We appreciate your continued support and understanding,

Please feel free to contact the office if you would like a discussion or have any concerns : office@beverleyschool.org.uk

Kind regards,

Pippa Irwin
