

## Personal Guidance Strategy 21 - 22

Personal guidance describes the one-to-one interactions which take place between a careers adviser and a young person. Within Benchmark 8 of the Gatsby report there is a requirement for schools and colleges to provide young people with access to personal guidance. This should be with a careers adviser who should be trained to a minimum of level 6.

The aim of our personal guidance is to enable students to develop:

- personal effectiveness e.g. self-awareness and self-esteem;
- career readiness e.g. career planning and decision making;
- educational outcomes e.g. improved attendance and attainment;
- a successful transition from school to the next stage of their lives.

Personal Guidance is provided by the Local Authority in a 30 minute guidance session prior to Annual Review Meetings to all students in years 11 and 14. To enhance our provision we have commissioned a qualified and experienced independent careers advisor (Margaret Jackson).

Margaret will work with students as outlined in the schedule below. Margaret will adapt the schedule to respond to the individual needs of students throughout the year. This schedule will be undertaken in line with and COVID secure practices necessary. Meetings may therefore take place remotely or virtually if appropriate.
