Dear Parents/Carers,

Re: School meal price increase

Middlesbrough Council have announced an increase in the price of school meals, which will take affect from **1st September 2022.**

The new prices are as follows:

Primary school meal prices will increase from £2.10 to £2.15

Secondary school meal prices will increase from £2.20 to £2.25

This increase will enable the Council to cover the increased costs of food, equipment and other associated costs whilst maintaining the level of choice and quality offered.

Best Regards
